A COMIC ABOUT RETURNING TO JAPAN <<<<<<<<

2020/3/20

My partner and I raced home to Australia arriving just hours before the border closed.

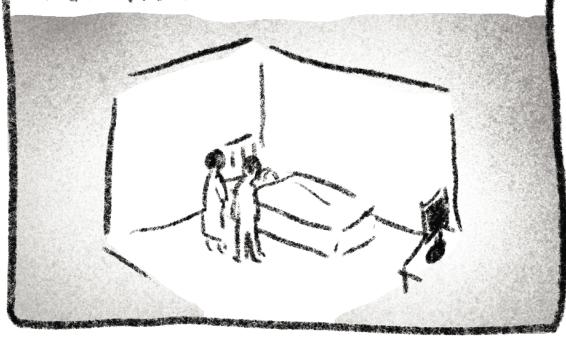

Can I call you now?

I knew that it would happen one day.

My grandma had fallen into a critical condition.

I flew back to Tokyo after 2 yrs locked down in Australia

I can't see anything...

I had almost forgotten how to spend time on international flights.

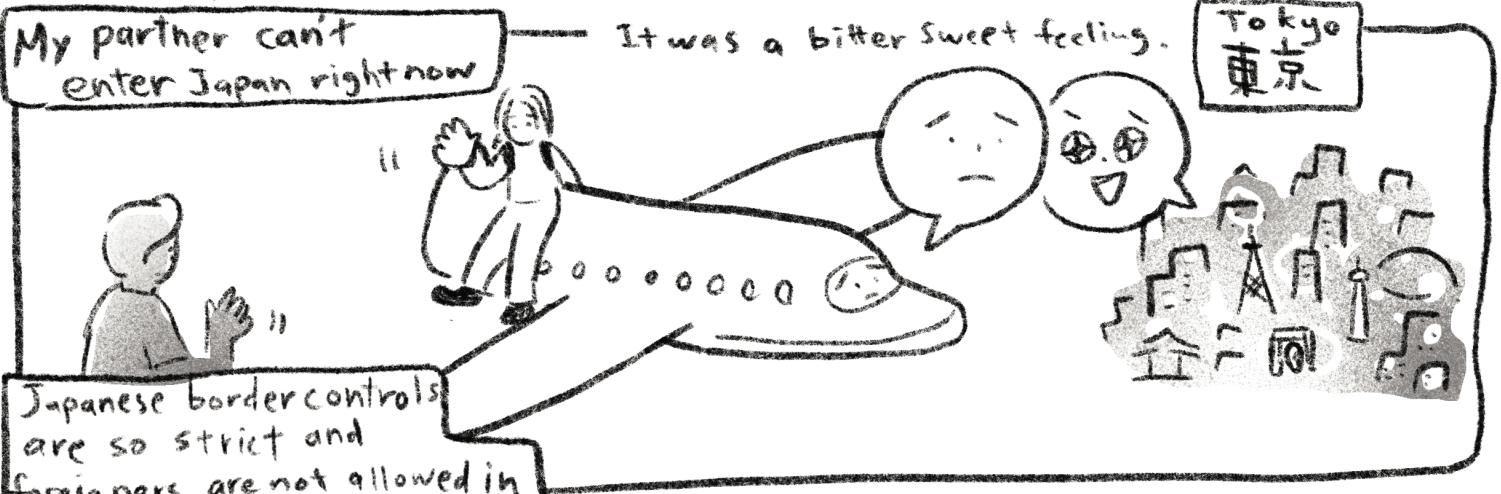

Nope, Nope, No

There's nothing I want to see!

My partner can't enter Japan right now

It was a bitter sweet feeling.

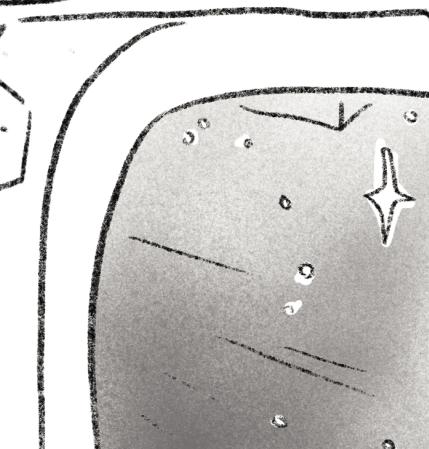

Japanese border controls are so strict and foreigners are not allowed in

着陸します

We are landing soon...

I saw a few lights on the runway at Haneda Airport.

How long did I wait for this?

So this is Tokyo?!

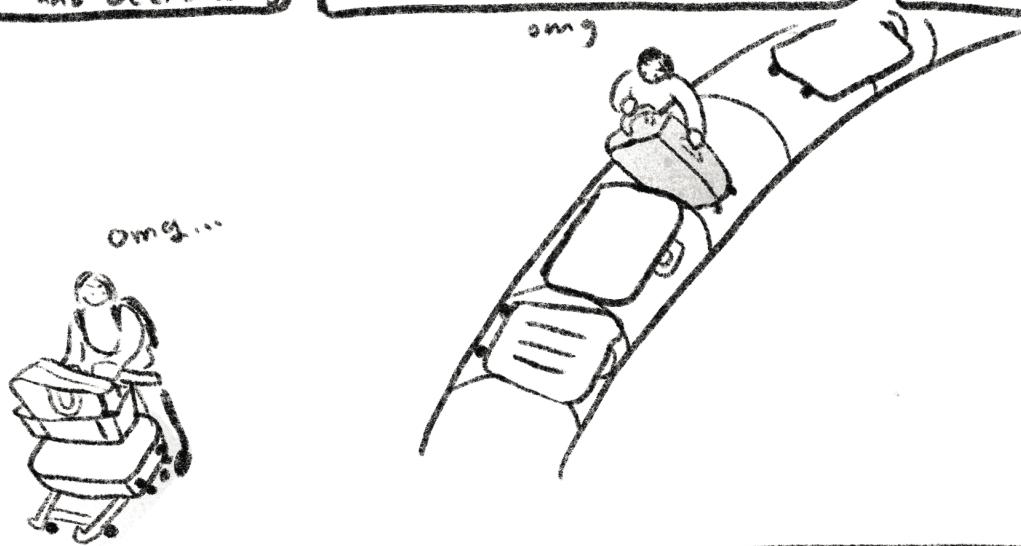

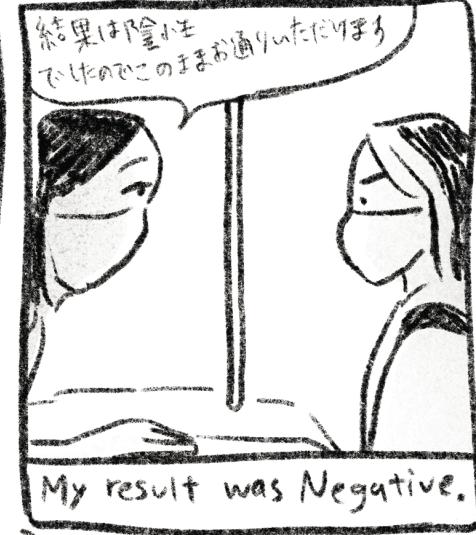

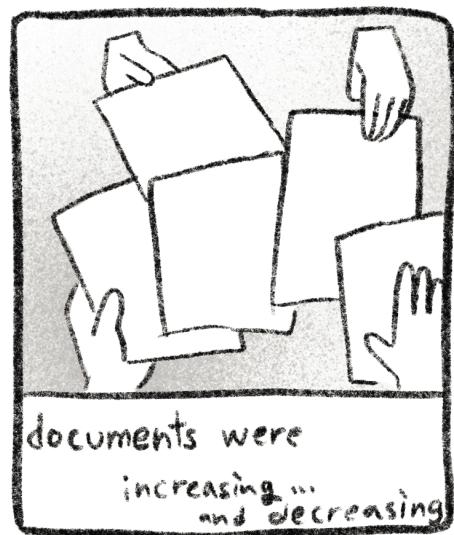

Finally?

... I can see my family? friends?! I can't believe it

Then I cried.

day 1

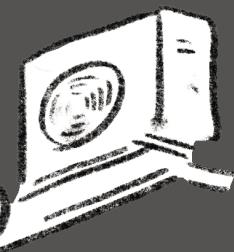

I guess that some people  
had no choice but to come  
up with their own strategies  
to continue work.

おつかれさま  
おつかれさま

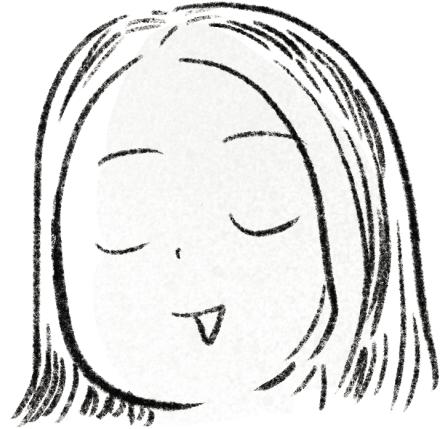

nostalgic  
feeling

everything  
looks  
so tiny

everything  
is a throw back

Yeah... There's no way in hell that would happen

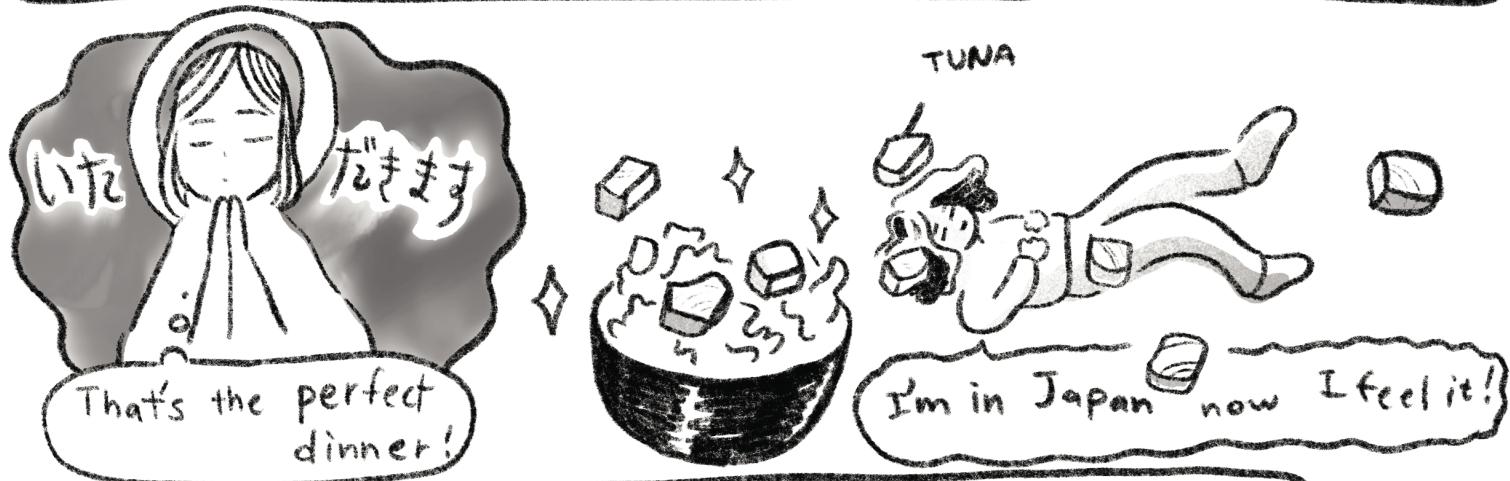

We talked about how they are raising him what he likes, what he can do ...

ONLY POKE AND HOT POT...

TUNA ... So fresh ... The Poke I had at foodcourt in Sydney was a chunk of disappointment.

Yes You can get really good sashimi at Sashimi-shinsengumi; @CROWSNEST but It's still luxury

Goodnight  
I am so satisfied

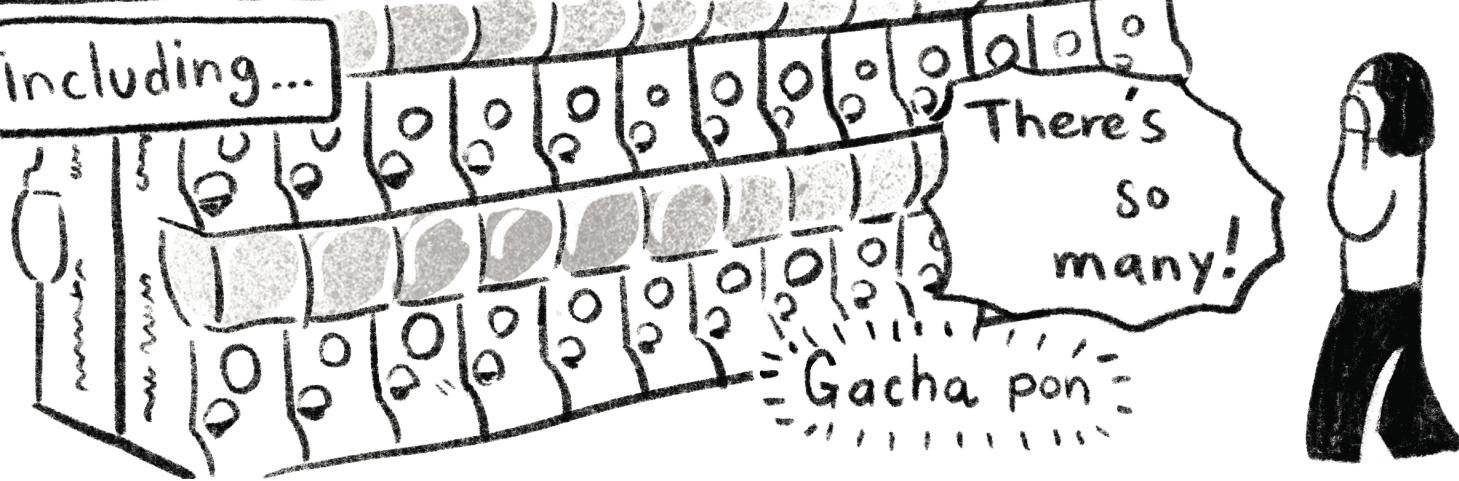

Day2

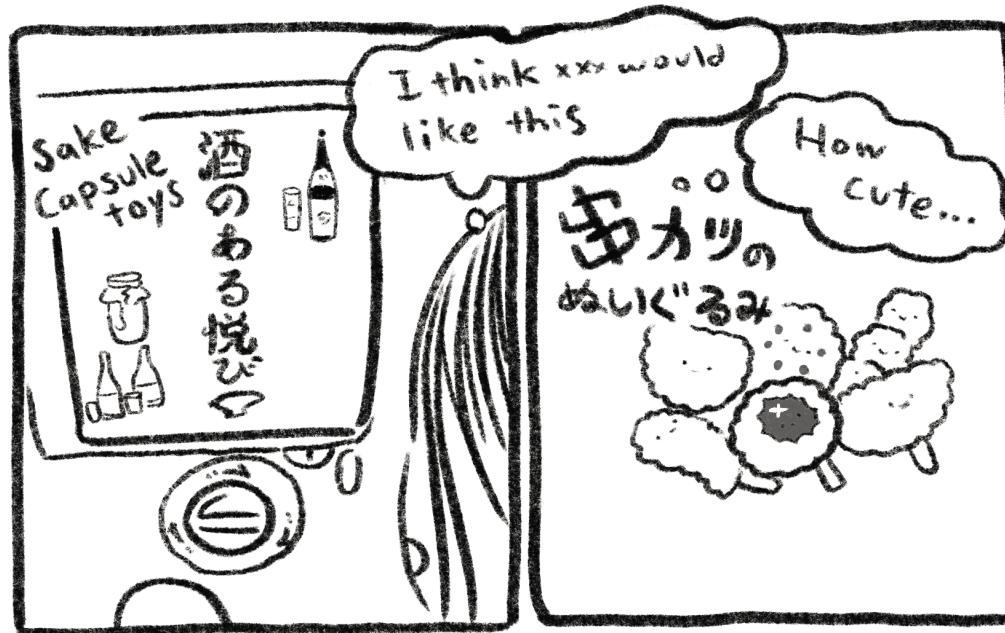

OMG  
That's cool too!

Including...

I was happy again  
I could ask people for help  
in Japanese

The shop assistant was really kind.  
He recommended I order a cheap SIM online.
